IMPORTANT INFORMATION TO KNOW

CLASS CHANGES HAVE NOW CLOSED

APPSENCE APP

Timetables on the App should now reflect your correct classes. If this does not, please come and see staff at eknex. Remember to regularly check for news and messages on the app.

ERINDALE COLLEGE MARKET

On Tuesday 7 February 2017 an Information Market was held at our College at lunch time. Representatives from the CIT, Sarina Russo Apprenticeships, Master Builders Association, Youth Law Centre, Lanyon Youth Centre, and YWCA Engagement Team held stalls. Students were also able to sign up to a range of registered units including Debating, Choir, First Aid, Automotive, Health Care Prep; Outdoor Education, White Ribbon Committee; Erindale Student Body; Community Involvement; Performing Arts Crew; English Study Sessions; Cambridge Tutorials; Mindfulness; Duke of Edinburgh; Scuba Diving; Catering Crew; Painting; Antipodeans Trip; Questacon Explainer Program; Volunteering at the Healthy Eatery and Relationships and Identity Program.

The event had a festive feel, with live music provided by our current music students and balloon activities being run by our Chaplain. The annual free sausage sizzle coincided with the Market, and our new barbeque was christened. Thanks to the Erindale Student Body for raising the funds to purchase our new barbeque, which will be well used by the college.

T students who wish to do a T Psychology class are to register at eknex by the end of the day 14th February 2017

YR 10 SCIENCE AT ERINDALE COLLEGE

The Yr 10 students have settled in wonderfully and are enjoying our term 1 unit: Genetics and Evolution.

Our first practical was extracting DNA from strawberries. Strawberries have so much DNA that it is easy to extract, observe and handle. They are known as octaploid which means they have 8 of each of their 7 chromosomes giving them a total of 56.

Humans, with the scientific name of *Homo sapiens*, are diploid as we have only 2 of each type of our 23 chromosomes giving us a total of 46!

Who would ever have thought that strawberries have more DNA than humans?

The students enjoyed the practical and we look forward to many more enjoyable lessons.

HAIRDRESSING ASBA

If you are interested in an Australian School based Apprenticeship in Hairdressing at a salon in Civic, please see Lyndall or Vanessa in e-knex for more details.

ASBA CERTIFICATE II IN CONSTRUCTION

Evening Construction Program (ECP) - CPC20112 MBA Group Training offers an Australian School Based Apprenticeship (ASBA) program. This program is aimed at year 11 students who have an interest in gaining experience in the building industry and is also designed to expose students to employment opportunities in the construction industry whilst completing their College studies. Students must be enrolled in an ACT or surroundings college to participate in this program.

See Lyndall or Vanessa in e-knex for more details

SPORTS

KYE A'HERN- DOWNHILL MOUNTAIN BIKING

Congratulations to Kye A'Hern who won Round 1 and 2 (pictured at Thredbo) of the National Downhill Mountain Bike Championships. Round 3 is in Toowoomba in 2 weeks. Well done Kye.

RYLIE YOUNG: FOOTBALL

Congratulation to Rylie Young, who attended the Manchester City Academy in England during the school holidays. He gained valuable experience whilst playing in a number of games for the side.
