## YEAR 11 EXERCISE SCIENCE

The Year 11 Exercise Science classes have been learning about the Circulatory System over the past weeks. What better way to learn about the anatomy of the heart than to dissect a sheep heart.

A great time was had by all - with plenty of learning and discovery of new language around anatomical structures.

Can you see the chordae tendinae - looks like some broken heart strings to me!???

## YEAR 12 HOODIES

It is time to vote for which hoodie you would like to wear in 2017. Please let the students know which one you prefer.

## MARKET DAY

Erindale College Business students are going to be running a Market Day on 23rd March week 8, 10:30am - 11:30am. This will include a large variety of different stalls. The Market day stalls will be available to students, staff members, family members and even the Erindale community. Our price range will vary from only \$1 to \$5. This event caters to all members of the community, and all the money raised will go right back into the school community. This event is run to display our year 11 Business students' knowledge on running their own businesses. It will be a fun event for all; we hope to see you there.

### The stalls will include:

- Burritos
- Brownies
- Sausage sizzle
- Fairy floss & slushies
- Cupcakes
- Cookies
- Slices
- Milkshakes
- Spaghetti Bolognese
- Pancakes

# SPORTS

## THE NEED FOR SPEED

For the next 5 weeks of school, students have the opportunity to learn about running technique and mechanics to improve their speed and running efficiency. Students from all sports are welcome and there are still some spots available (Please see Dan in TSP if interested). Week 1 introduced students to some of the latest drills and equipment being used with scope to progress till the end of term.

A big thank you to Josh from Dynamic Athletic for coming in and running this exclusive program.

## WHAT AN AWESOME DAY OF NRL.

A huge thank you to all teachers', coaches and students for their efforts on the day. The day was played in Great Spirit. Again we had Illawarra Sports High performing well on the day and took out the Trophy Final, while Gungahlin College taking out the Plate Final. For the fourth year in a row Erindale College took out the Cup final. Lachlan Ingram was named player of the match in the Final.

The day could not have gone as planned without the fantastic work of Erindale College Rugby League students along with Sport and Recreation students. A big thank you goes again to Phil Dodd who was in his best form as MC for the day. Another huge thank you goes to Mitch and his hospitality students who ran the canteen on the day. The day would not have been a success without Gideon Afemui, Lazarus Vaalepu and Harley Smith-Shields who did a fantastic job referring games of 9's NRL along with league-tag.

## GIRLS LEAGUE TAG 9'S

To coincide with the Canberra 9's Erindale college also hosted the inaugural Girls League Tag 9's at David Campese Oval in Queanbeyan.

The event saw 12 teams from the surrounding private and public schools and included 3 teams from Erindale, demonstrating the growth and strength of the Girl's Football Codes class.

What started off as a typical beautiful sunny day in Queanbeyan turned into a rainy afternoon which was the only dampener on an otherwise very enjoyable day. There was very strong competition in each pool and many games were only decided by a couple of points. After the round games each pool was separated into the cup, plate and bowl semi-finals. Erindale having a team in each division.

At the conclusion of the day the Erindale Girls top team remained undefeated in another fantastic display of grit and determination winning the Cup Final 5-4 against SFX.

Bowl Winner: St Clares College

Plate Winner: Lake Ginninderra College

Cup Winner: Erindale College

Congratulations to year 11 student Chloe Ives who was named player of the final.

A very big thankyou to former students Steve Solofa, Tom Watego and Teagan Gaughran who helped run the day. As well as current students Gideon Afemui, Harley Smith-Shields and Lazarus Vaalepu who between them somehow refereed 30 games, an amazing effort. If it wasn't for their help this great day would have never run so smoothly.
