## RURAL AND REGIONAL SCHOOL TRAVEL

Applications for free school travel in rural and regional NSW will need to be completed online instead of using paper forms.

A new application is only required if the student has never been approved for free school travel before.

- However, you need to update student details online if the student:
- Is changing schools or campuses
- Is changing address

### How to apply for free travel for the first time

#### Step 1

Once you have confirmed your 2017 school enrolment, complete the online application form at [transportnsw.info/school-students](http://transportnsw.info/school-students), nominating your home address and which Bus Company or transport operator the student needs to travel between home and school.

#### Step 2

The school will get a digital copy to endorse and send through.

#### Step 3

You will receive an email confirming the outcome of your application. If the application is approved, Transport for NSW will inform your local bus or transport operator who may send a school travel pass (where applicable) to the student's school, or in some cases will contact you directly about travel arrangements.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

For more information call 131 500 or visit [transportnsw.info/school-students](http://transportnsw.info/school-students).

## COLLEGE DRESS CODE/STANDARDS

Erindale College's dress code policy aligns with other ACT government colleges. It takes into account the diverse nature of the student population and the economic, personal, social and cultural factors affecting students and their families.

Students are required to adhere to standards of cleanliness and dress. These standards are

- Those generally accepted as appropriate in a school setting.
- Students who are unsure if an item of clothing is acceptable should discuss it with their Link teacher or the Executive.

## FOOTWEAR

- To ensure the safety of students, strapless shoes are not to be worn on college premises.
- Students undertaking specialised activities must wear enclosed footwear (e.g. working with machinery, food preparation etc.).

Please note that students may be unable to participate in specialised activities if they wear open footwear.

## THINK BEFORE YOU PARK!

- keep clear of 'no stopping' and 'no parking' zones
- don't park in bus zones on school crossings, across footpaths or driveways; and
- don't double (or triple) park!

**Think** – visibility around schools and if your car may be blocking the view of crossings for other motorists. Also be mindful when entering or leaving parking spots – look twice!

**Note** - licence Plate Recognition (or electronic chalking) vans are now actively monitoring schools. Penalties range from \$114 upwards to \$600. Details at [www.act.gov.au/accessCBR](http://www.act.gov.au/accessCBR)

## TSP CAMP

As the coordinator of the TSP program at Erindale College, I have arranged for our Sports Academy students to participate in a three day Orientation and Team Building program at Stanwell Park, near Wollongong. This program will be conducted by 'The Tops Conference Centre' staff who specialises in providing school groups the opportunity of individual challenge through a variety of adventure activities.

The primary aim of this initiative is to introduce our students to leadership, team building and adventure through a variety of activities requiring lateral thinking, problem solving and physical fitness. It is also an opportunity for students to get to know each other in comfortable surrounds as it offers an amazing location, comfortable accommodation, exciting adventure, recreational activities and great food.

It is our firm belief all students attending the trip will get great benefit from participating in the program which will stand them in great stead for the rest of the school year.

The cost of the excursion is \$310 which includes:

- \*Accommodation
- \*Bus hire and transport
- \*All meals
- \*Instruction and gear for all activities

Full payment is due by Friday 9th February.

If you would like any further information about the proposed venue or activities program, you can go to the website [www.thetops.com.au](http://www.thetops.com.au) or contact me at school on 61422978. We hope you support this very worthwhile opportunity.
