## JACKSON FREW GETS A BOOST WITH GT

Australian mountain biker, Jackson Frew has received some welcome news ahead of the Oceania Championships and National Series in Toowoomba, in Queensland this weekend. Despite being only 16, the Canberra rider has recently signed with GT bikes giving the young hopeful a boost to his mountain biking career.

Frew started competing in BMX at 6 years of age and moved across to mountain biking after a family holiday in Whistler in 2007.

This year marks his first year in junior and he is hopeful of being selected for the Australian team to compete internationally.

Frew has been World Plate holder in BMX and in mountain biking he was crowned "Prince of Crankworks" in Whistler in 2013 and will be aiming for a podium finish this week in both the Oceanic Championships and in the final round of the National Mountain Bike Series. He then will prepare for the upcoming National Championships in Bright in Victoria in March.

Frew has flown under the radar but is now ready to step out of the dust and create his own storm on the GT.

## ERINDALE COLLEGE WINS CANBERRA NINES AGAIN

Congratulations Erindale College on winning the Erindale Nines for the 2nd consecutive year

Erindale College is breaking new ground to find the next NRL star, recruiting players from non-traditional rugby league breeding grounds to bolster their ranks and foster future talent.

The move to recruit players from Darwin, Perth and Adelaide has paid immediate dividends, with the Erindale under-18s team winning a Nines tournament in Canberra on Wednesday.

Coach Matt Adams has been looking out for talent for the past two years, scouting the best players at the national junior championships and offering them a spot at Erindale.

Erindale beat Illawarra Sports High 15-11 in the final to claim back-to-back Nines titles in the competition's second year, with 10 teams from around Canberra and NSW fighting for the trophy.
