On Wednesday week 13 the annual Erindale Bolt was run. This event pits the fastest (and bravest) athletes from each of the squads. This year had the largest female field ever. Well done girls.

The winner of this race was Kristy Martens. Kristy is a Hockey player and is in the Individual Squad. The male race again had a large field with Angus Shaw (AFL squad) taking the title. A large crowd of students and staff was on hand to cheer their representatives on.

Well done to all who participated.
