- Up to 2 x hours per week per class remote on line learning.
- 1 x hour per week asynchronous learning per line (students work on structured learning activities in their own time, at their own pace). Uncoloured lines and spare lines in your timetable.
- 1 x hour per week check in with your teacher as needed (Google Hangout/Meet), feedback, formative assessment etc.
- Work will be posted on Monday for the week and then explained in the lessons.
- Link check in provides a wellbeing focus where teachers can touch base with students.
- Students may need more time to complete assessment tasks outside this timetable.
